Introduction

Choosing your primary care physician (PCP)

When you enroll with CalViva Health, you will select a primary care physician (PCP); a PCP is a doctor who will be your personal doctor. Your PCP may be a family practice, general practice, internal medicine, obstetrics and gynecology (OB/GYN), or pediatrics (for your children) physician. You may want to have one doctor who will see your whole family, or you may want to have one doctor for you and a different doctor for your children.

Your PCP will be the doctor you will see when you are sick; he or she will refer you to a specialist and coordinate your health care whenever you need it. You must always see your PCP each time you need medical treatment unless it is an emergency. You do not need to get a referral from your PCP to visit your eye doctor for a regular examination, for a family planning visit, for care during pregnancy, or to access a nurse midwife.

If you are a female member, you may choose to see an OB/GYN for routine examinations and prenatal care. You do not need a referral from your PCP, but you may ask him or her to recommend the name of an OB/GYN for you. There is also a listing of these providers in the section of your directory titled “OB/GYN Providers.” The OB/GYN you choose must be a CalViva Health provider and belong to the same medical group as your PCP.

All eligible Native Americans have the right to access medical services through Indian Health Service facilities. You do not need a referral from your PCP. The health plan will reimburse the facilities for covered services.

Some hospitals and other providers do not provide one or more of the following services that may be covered under this health plan and which members might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. Call your doctor or clinic, or call the CalViva Health Member Services Department at 1-888-893-1569 to ensure that you can obtain the health care services that you need.

If you feel this document has given wrong, partial or deceptive information, you may file a complaint. To file a complaint, go to <http://www.calvivahealth.org/grievance-form> or contact our Member Services Department at **1-888-893-1569 (TTY: 711)**. You can also contact us by mail.

PCP Specialty Chart

Doctor specialty	Who will he or she see?
Family practice	Your whole family
General practice	Your whole family
Internal medicine	Adults only (age 18 and older)
OB/GYN	Women only (age 18 and older)
Pediatrician	Children only (age 18 and younger)

The chart above will help you learn what each specialty (type of PCP) means, so you can choose the best doctor for you and your family.

Once you have an idea about the type of doctor you want as a PCP for yourself and your family, you'll need to select who that doctor will be.

Health Care Options (HCO) should have sent you a packet with information on your option to request a personalized countywide provider directory (PCW). Use the PCW, or the CalViva Health Provider Directory, to review and select a primary care doctor. Once you've done this, fill out the Medi-Cal Choice Form (also sent in the packet) with the name of the doctor you chose.

- **Look** for the city where you live.
- **Pick** a doctor for you and your family.
- **Write** the doctor ID (identification) number or the name of the doctor(s) you choose for you and your family on the Medi-Cal Choice Form.
- **Sign** your name on the Medi-Cal Choice Form.
- **Check** to make sure you filled out the Medi-Cal Choice Form completely.
- **Mail** your completed Medi-Cal Choice Form in the self-addressed, stamped envelope included with your packet.

Member Identification Card

When you become a member of CalViva Health, you will receive a member identification card. You will need to show this card each time you see your doctor, use the emergency room, or see your eye doctor. Keep this card with you at all times.

Your Prescription Rx Medication

Your Medi-Cal prescriptions will be covered through Medi-Cal Rx instead of CalViva Health.

If you have questions about this or want to find a pharmacy near you, call the Medi-Cal Rx Call Center Line at 1-800-977-2273. Or, visit www.Medi-CalRx.dhcs.ca.gov.

Always bring your CalViva Health ID card and your Medi-Cal Benefits Identification Card (BIC), when you go to the pharmacy. These cards will help the pharmacist look up your information and provide your medications.

24-hour Member Services Department

CalViva Health has a Member Services Department for you to call if you ever have any questions about your health plan, want to change your doctor, or have a complaint about your doctor or the plan. The Member Services Department is open 24 hours, every day, including weekends and holidays. A friendly representative is always available for you whenever you need help. Member Services is your link to CalViva Health's Nurse Triage Department.

If you try to call your doctor on the weekend or after office hours because you are sick, and cannot reach him/her, please call our Member Services Department, and a representative will connect you with a nurse who will be able to help you and answer your questions.

Remember: If you have a life-threatening emergency, call 911 for emergency help or go immediately to the closest emergency room. **To talk to a Member Services representative, call 1-888-893-1569.** This is a free call for you to make, and you can talk to someone 24 hours a day, every day. The Member Services Department phone number is also on the back of your CalViva Health member identification card.

Thank you for becoming a member of CalViva Health. We look forward to serving your health care needs.

Timely Access to Care

The amount of time prior to a visit may depend on your health issue. And, the type of care you need.

You might be able to wait a little longer if it won't harm your health. You may want to set up routine care whether you just got Medi-Cal coverage or you were covered and have transferred to a new doctor. It's important for your doctor to get to know you. If you already have a doctor, you can remind your doctor of concerns.

Introducción

Cómo elegir a su médico de atención primaria (PCP)

Cuando se inscriba en CalViva Health, usted seleccionará un médico de atención primaria (por sus siglas en inglés, PCP), que será su médico personal. Su médico de atención primaria puede ser un médico de medicina familiar, práctica general, medicina interna, obstetricia y ginecología (por sus siglas en inglés, OB/GYN) o pediatría (para sus hijos). Si lo desea, puede contar con un médico que atienda a toda su familia, o bien, puede tener un médico para usted y otro para sus hijos.

Su médico de atención primaria será el médico al que consulte cuando se enferme; éste le remitirá a un especialista y coordinará su cuidado de la salud cuando usted lo necesite. Siempre debe consultar a su médico de atención primaria cada vez que necesite tratamiento médico a menos que se trate de una emergencia. No necesita obtener una remisión de su médico de atención primaria para consultar a su oculista a fin de realizarse un examen regular, para una consulta de planificación familiar, para la atención durante el embarazo ni para acceder a una enfermera partera.

Si usted es una afiliada, puede elegir consultar a un obstetra/ginecólogo para realizarse exámenes de rutina y recibir atención prenatal. No necesita una remisión de su médico de atención primaria, pero puede solicitarle que le sugiera el nombre de un obstetra/ginecólogo. También hay una lista de estos proveedores en la sección de su directorio titulada “Proveedores de Obstetricia/Ginecología”. El obstetra/ginecólogo que elija debe ser un proveedor de CalViva Health y debe pertenecer al mismo

grupo médico que su médico de atención primaria.

Todos los Nativos Americanos elegibles tienen derecho a acceder a los servicios médicos a través de los centros del Servicio de Salud Indígena. Usted no necesita una remisión de parte de su médico de atención primaria. El plan de salud le reembolsará a los centros por los servicios cubiertos.

Algunos hospitales y otros proveedores no prestan uno o más de los siguientes servicios que pueden estar cubiertos conforme a este plan de salud y que los afiliados podrían necesitar: planificación familiar; servicios anticonceptivos, incluyendo anticoncepción de emergencia; esterilización, incluyendo ligadura de trompas al momento del parto; tratamientos de infertilidad; o aborto. Llame a su médico o clínica, o bien, llame al Departamento de Servicios al Afiliado de CalViva Health al 1-888-893-1569, para asegurarse de poder obtener los servicios de cuidado de la salud que necesita.

Si considera que este documento ha brindado información incorrecta, parcial o engañosa, puede presentar una queja. Acceso Oportuno a la Atención

La cantidad de tiempo antes de una visita puede depender del problema de salud que tenga, así como del tipo de atención que necesite.

Tal vez podría esperar un poco más si esto no le causa un daño a su salud. Es recomendable que programe su atención de rutina, ya sea si obtuvo cobertura de Medi-Cal recientemente o si tenía cobertura y lo transfirieron a un nuevo médico. Esto es importante para que su médico pueda conocerlo. Si ya tiene un médico, recuérdale cuáles son sus inquietudes.
