Introduction

Choosing your primary care physician (PCP)

When you enroll with CalViva Health, you will select a primary care physician (PCP); a PCP is a doctor who will be your personal doctor. Your PCP may be a family practice, general practice, internal medicine, obstetrics and gynecology (OB/GYN), or pediatrics (for your children) physician. You may want to have one doctor who will see your whole family, or you may want to have one doctor for you and a different doctor for your children.

Your PCP will be the doctor you will see when you are sick; he or she will refer you to a specialist and coordinate your health care whenever you need it. You must always see your PCP each time you need medical treatment unless it is an emergency. You do not need to get a referral from your PCP to visit your eye doctor for a regular examination, for a family planning visit, for care during pregnancy, or to access a nurse midwife.

If you are a female member, you may choose to see an OB/GYN for routine examinations and prenatal care. You do not need a referral from your PCP, but you may ask him or her to recommend the name of an OB/GYN for you. There is also a listing of these providers in the section of your directory titled “OB/GYN Providers.” The OB/GYN you choose must be a CalViva Health provider and belong to the same medical group as your PCP.

All eligible Native Americans have the right to access medical services through Indian Health Service facilities. You do not need a referral from your PCP. The health plan will reimburse the facilities for covered services.

Some hospitals and other providers do not provide one or more of the following services that may be covered under this health plan and which members might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. Call your doctor or clinic, or call the CalViva Health Member Services Department at 1-888-893-1569 to ensure that you can obtain the health care services that you need.

In California, the Children’s Health Insurance Program (CHIP) is fully administered through the Medi-Cal program. All Providers who are contracted with a Medi-Cal Managed Care Plan (MCP) to serve pediatric Members also serve CHIP-funded children. There is no separate Network or distinction in service delivery between Medi-Cal and CHIP enrollees; both are covered under the same benefits, funding structure, and Provider access standards.

If you feel this document has given wrong, partial or deceptive information, you may file a complaint. To file a complaint, go to <http://www.calvivahealth.org/grievance-form/> contact our Member Services Department at **1-888-893-1569 (TTY: 711)**. You can also contact us by mail.

PCP Specialty Chart

Doctor specialty	Who will he or she see?
Family practice	Your whole family
General practice	Your whole family
Internal medicine	Adults only (age 18 and older)
OB/GYN	Women only (age 18 and older)
Pediatrician	Children only (age 18 and younger)

The chart above will help you learn what each specialty (type of PCP) means, so you can choose the best doctor for you and your family.

Once you have an idea about the type of doctor you want as a PCP for yourself and your family, you'll need to select who that doctor will be.

Health Care Options (HCO) should have sent you a packet with information on your option to request a personalized countywide provider directory (PCW). Use the PCW, or the CalViva Health Provider Directory, to review and select a primary care doctor. Once you've done this, fill out the Medi-Cal Choice Form (also sent in the packet) with the name of the doctor you chose.

- **Look** for the city where you live.
- **Pick** a doctor for you and your family.
- **Write** the doctor ID (identification) number or the name of the doctor(s) you choose for you and your family on the Medi-Cal Choice Form.
- **Sign** your name on the Medi-Cal Choice Form.
- **Check** to make sure you filled out the Medi-Cal Choice Form completely.
- **Mail** your completed Medi-Cal Choice Form in the self-addressed, stamped envelope included with your packet.

Member Identification Card

When you become a member of CalViva Health, you will receive a member identification card. You will need to show this card each time you see your doctor, use the emergency room, or see your eye doctor. Keep this card with you at all times.

Your Prescription Rx Medication

Your Medi-Cal prescriptions will be covered through Medi-Cal Rx instead of CalViva Health.

If you have questions about this or want to find a pharmacy near you, call the Medi-Cal Rx Call Center Line at 1-800-977-2273. Or, visit www.Medi-CalRx.dhcs.ca.gov.

Always bring your CalViva Health ID card and your Medi-Cal Benefits Identification Card (BIC), when you go to the pharmacy. These cards will help the pharmacist look up your information and provide your medications.

24-hour Member Services Department

CalViva Health has a Member Services Department for you to call if you ever have any questions about your health plan, want to change your doctor, or have a complaint about your doctor or the plan. The Member Services Department is open 24 hours, every day, including weekends and holidays. A friendly representative is always available for you whenever you need help. Member Services is your link to CalViva Health's Nurse Triage Department.

If you try to call your doctor on the weekend or after office hours because you are sick, and cannot reach him/her, please call our Member Services Department, and a representative will connect you with a nurse who will be able to help you and answer your questions.

Remember: If you have a life-threatening emergency, call 911 for emergency help or go immediately to the closest emergency room. **To talk to a Member Services representative, call 1-888-893-1569.** This is a free call for you to make, and you can talk to someone 24 hours a day, every day. The Member Services Department phone number is also on the back of your CalViva Health member identification card.

Thank you for becoming a member of CalViva Health. We look forward to serving your health care needs.

Timely Access to Care

The amount of time prior to a visit may depend on your health issue. And, the type of care you need.

You might be able to wait a little longer if it won't harm your health. You may want to set up routine care whether you just got Medi-Cal coverage or you were covered and have transferred to a new doctor. It's important for your doctor to get to know you. If you already have a doctor, you can remind your doctor of concerns.

Introducción

Cómo elegir a su médico de atención primaria (PCP)

Cuando se inscriba en CalViva Health, usted seleccionará un médico de atención primaria (por sus siglas en inglés, PCP), que será su médico personal. Su médico de atención primaria puede ser un médico de medicina familiar, práctica general, medicina interna, obstetricia y ginecología (por sus siglas en inglés, OB/GYN) o pediatría (para sus hijos). Si lo desea, puede contar con un médico que atienda a toda su familia, o bien, puede tener un médico para usted y otro para sus hijos.

Su médico de atención primaria será el médico al que consulte cuando se enferme; éste le remitirá a un especialista y coordinará su cuidado de la salud cuando usted lo necesite. Siempre debe consultar a su médico de atención primaria cada vez que necesite tratamiento médico a menos que se trate de una emergencia. No necesita obtener una remisión de su médico de atención primaria para consultar a su oculista a fin de realizarse un examen regular, para una consulta de planificación familiar, para la atención durante el embarazo ni para acceder a una enfermera partera.

Si usted es una afiliada, puede elegir consultar a un obstetra/ginecólogo para realizarse exámenes de rutina y recibir atención prenatal. No necesita una remisión de su médico de atención primaria, pero puede solicitarle que le sugiera el nombre de un obstetra/ginecólogo. También hay una lista de estos proveedores en la sección de su directorio titulada “Proveedores de Obstetricia/Ginecología”. El obstetra/ginecólogo que elija debe ser un proveedor de CalViva Health y debe pertenecer al mismo

grupo médico que su médico de atención primaria.

Todos los Nativos Americanos elegibles tienen derecho a acceder a los servicios médicos a través de los centros del Servicio de Salud Indígena. Usted no necesita una remisión de parte de su médico de atención primaria. El plan de salud le reembolsará a los centros por los servicios cubiertos.

Algunos hospitales y otros proveedores no prestan uno o más de los siguientes servicios que pueden estar cubiertos conforme a este plan de salud y que los afiliados podrían necesitar: planificación familiar; servicios anticonceptivos, incluyendo anticoncepción de emergencia; esterilización, incluyendo ligadura de trompas al momento del parto; tratamientos de infertilidad; o aborto. Llame a su médico o clínica, o bien, llame al Departamento de Servicios al Afiliado de CalViva Health al 1-888-893-1569, para asegurarse de poder obtener los servicios de cuidado de la salud que necesita.

En California, el Programa de Seguro de Salud para Niños (por sus siglas en inglés, CHIP) se administra completamente a través del programa Medi-Cal. Todos los proveedores contratados con un Plan de Atención Administrada de Medi-Cal (por sus siglas en inglés, MCP) para atender a afiliados pediátricos también atienden a niños con financiación de CHIP. No existe una red separada ni una distinción en la prestación de servicios entre las personas inscritas en Medi-Cal y CHIP; ambos tienen cobertura bajo los mismos beneficios, estructura de financiamiento y estándares de acceso de los proveedores.

Tabla de Especialidades de los Médicos de Atención Primaria

Práctica general	Toda su familia
Medicina interna	Adultos únicamente (18 años o más)

La tabla anterior lo ayudará a saber qué significa cada especialidad (tipo de PCP), para que pueda elegir el mejor médico para usted y su familia.

Una vez que sepa el tipo de médico que quiere como PCP para usted y su familia, deberá elegir quién será ese médico.

Debería haber recibido de Opciones de Atención de Salud un paquete con información sobre su opción de solicitar un directorio de proveedores del condado (por sus siglas en inglés, PCW) personalizado. Use el PCW o el Directorio de Proveedores de CalViva Health para revisar sus opciones y elegir un médico de atención primaria. Una vez que lo haya hecho, complete el formulario de elección de Medi-Cal (también incluido en el paquete) con el nombre del médico que eligió.

Tarjeta de Identificación de Afiliado

Sus medicamentos que requieren receta médica

Medi Cal Rx cubrirá sus medicamentos que requieren receta médica de Medi Cal, en lugar de CalViva Health.

Si tiene preguntas al respecto o quiere encontrar una farmacia cercana, llame al Centro de Atención Telefónica de Medi Cal Rx al 1 800 977 2273. También puede visitar www.Medi-CalRx.dhcs.ca.gov.

Siempre lleve su tarjeta de identificación de CalViva Health y su tarjeta de identificación de beneficios (por sus siglas en inglés, BIC) de Medi Cal cuando vaya a la farmacia. Estas tarjetas harán que el farmacéutico encuentre su información más fácilmente y le entregue sus medicamentos.

Departamento de Servicios al Afiliado disponible las 24 horas

CalViva Health cuenta con un Departamento de Servicios al Afiliado para que usted llame si alguna vez tiene preguntas sobre su plan de salud, desea cambiar de médico, o bien, tiene una queja sobre su médico o el plan. El Departamento de Servicios al Afiliado está disponible las 24 horas, todos los días, incluyendo los fines de semana y los días feriados. Siempre hay un cordial representante a su disposición cada vez que necesita ayuda.

El Departamento de Servicios al Afiliado es su vínculo con el Departamento de Clasificación según las Prioridades de Atención de Enfermería de CalViva Health. Si intenta llamar a su médico durante el fin de semana o fuera del horario de atención porque está enfermo, y no puede comunicarse, llame a nuestro Departamento de Servicios al Afiliado y un representante le comunicará con una enfermera que podrá ayudarlo y responder sus preguntas.

Recuerde: Si se encuentra en una emergencia de riesgo vital, llame al 911 para obtener ayuda de emergencia o vaya de inmediato a la sala de emergencias más cercana.

Para hablar con un representante del Departamento de Servicios al Afiliado, llame al 1-888-893-1569. La llamada es gratuita y usted puede hablar con alguien las 24 horas del día, todos los días. El número de teléfono del Departamento de Servicios al Afiliado también aparece en el reverso de su tarjeta de identificación de afiliado de CalViva Health.

Gracias por convertirse en un afiliado a CalViva Health. Esperamos satisfacer sus necesidades de cuidado de la salud.

¿Con Qué Rapidez Puedo Consultar al Médico?

Cuando usted necesita atención médica, es importante que la reciba de manera oportuna. La cantidad de tiempo que debe esperar para su cita depende de su afección de salud. También depende del tipo de atención que necesite. La siguiente tabla indica con qué rapidez debería poder consultar a un médico. Puede ser aceptable esperar más tiempo si esto no daña su salud.

(**Nota:** Un día hábil, por lo general, es de lunes a viernes. No incluye los fines de semana ni los días feriados). Programe una cita de atención de rutina para consultar a su médico si es un paciente nuevo y/o ha obtenido un seguro de salud recientemente.

Tipo de cita	Tiempo de espera para la cita
Cita de atención de rutina con su médico de atención primaria (PCP) – su médico principal	Dentro de los 10 días hábiles
Cita de atención de rutina con un especialista (cuando le remite su PCP)	Dentro de los 15 días hábiles
Cita de atención de urgencia para servicios que no requieren una aprobación por adelantado	Dentro de las 48 horas
Cita de atención de urgencia para servicios que requieren una aprobación por adelantado (autorización previa)	Dentro de las 96 horas

Pruebas auxiliares (como pruebas de laboratorio, rayos X o servicios de terapia que usted no puede obtener en el consultorio de su médico)	Dentro de los 15 días hábiles

Se pueden coordinar servicios de idiomas junto con las citas programadas para servicios de cuidado de la salud de manera que un intérprete esté disponible en el momento de la cita. Si necesita ayuda para programar una cita, llame al Departamento de Servicios al Afiliado al 1-888-893-1569 (TTY: 711).
